## *Education*

### **Bachelor of Science in Engineering**

Grand Valley State University – School of Engineering

**GPA: 3.4**

**Major:** Computer Engineering

## *Work Experience*

### **Owner/Operator: Midwestern Land Services LLC** (June 2023 – December 2023)

- Ran a successful land service business. Completed various jobs including land clearing, trail clearing, demolition, equine mud prevention panel installation, cattle pasture fence, cattle waterer installation, and cement cattle feeding pad.

### **Software Developer: Volgistics Inc.** (June 2019 – May 2020, September 2020 – June 2023)

- Developed and released two volunteer management apps to the App Store and Google Play Store, along with several other projects.

### **Software Engineer Intern: Dornerworks Ltd** (May 2020 – August 2020)

- Worked on several projects including solo developing a timesheet application for Dornerworks to track employee hours.

### **Tutor: GVSU Tutoring Center** (January 2019 – April 2019)

- Used effective communication strategies to introduce the C programming language to Grand Valley students.

### **Team Leader: Absolutely Clean Services** (May 2016 – November 2018)

- Coordinated a crew of up to four people in residential and commercial window cleaning. Kept others motivated and quickly found the most efficient way to complete jobs.

### **Laborer: Grasscutters Landscaping Services** (May 2015 – May 2016)

- Did various tasks including landscaping, mowing, and snowplowing.

## *Extracurricular*

- Res Life Church security team volunteer.
- 2023 Grand Rapids Marathon Men's 25-29 12<sup>th</sup> place finisher.
- 2016 Loretta Lynn's Amateur National Motocross Championship racer and current AMA member.
